

# Singapore Royal Rangers Discovery Leadership Camp

13 March 2023

“God the Creator”

## GOALS

1. To train and prepare boys and girls for leadership roles in the local outpost and patrol.
2. To learn the importance of the patrol system and how they, as leaders, can promote the outpost and an esprit de corps among boys and girls.

## THE PLAN

Discovery Leadership Camp is a day camp held from 9am to 5:30pm, where Discovery Rangers will learn to work together and lead each other in small groups of 6-10 with a leader aged 18 years and older.

Together they will learn to forge team spirit and unity, as well as embark on a short walk to spot birds and insects in our urban environment.

Lunch will be catered.

## SPIRITUAL DEVELOPMENT

The camp is purposefully designed with the intent of creating an environment where boys and girls can discover more about themselves personally and recognize the purpose God has for them spiritually.

The camp's theme is 'God the Creator'. This will be developed through a variety of different means such as a purposeful plan of learning of God's creation through insect and nature study, bible memory work, and appropriate age-level sermon during praise and worship service.
